# **“STANDARD”<sup>®</sup>** **FIREWORKS**

## *For Quality and SUPERB PERFORMANCE*

- ★ **Thoughtfully styled with glittering ideas.**
- ★ **Artistically designed with an imaginative touch.**
- ★ **Delightfully made with grace and symmetry.**
- ★ **Exquisitely detailed with splendour and performance.**

*From the powder to the finished fireworks nothing is left to chance! Painstaking is the planning of each step in the Production of each piece. The minds and hands that direct and perform these tasks are those of highly skilled technicians and talented designers..... a team that has produced superb pieces of work..... an experienced group of Pyrotechnicians who eliminate chance in their constant search for a beautiful piece of work, synonymous with not only quality, but also style embodying originality and superb performance.*

*The name **“STANDARD” FIREWORKS** eloquently speaks for itself. The well deserved popularity of this name is an attestation of wide - spread public approval and recognition.*
